

One January 17, the Board approved the following change to Rule #13.a.ii in the Hickory Lake Campground Rules and Regulations:

Owners will be assessed a \$20 late fee on the 15th day of non-payment of association dues, with an additional \$20 assessed each 15th day thereafter. The late fee(s) will be applied separately to each unit in arrears.

This Rule replaces the one which reads: *In the event of non-payment, interest will be charged at a rate of 6%/year starting 30 days after each above mentioned due date.*
